END OF SALE

TERMS & CONDITIONS

1. Terms:

All purchases are to be **“PAID IN FULL”** in negotiable Canadian Funds on Sale Day. Cash, Cashier’s & Traveler’s Cheques or Wire Transfers will be accepted as payment. Company or personal cheques will be accepted provided they are accompanied by a **“BANK LETTER OF GUARANTEE”** guaranteeing payment. The buyer waives the right to stop payment on any cheque or monies given as payment. No drafts accepted. The buyer may receive purchases upon completion and execution of all funds, including all applicable goods, sales or use taxes. Check-out procedures are defined in the inside cover of Auction Catalogue. The Auctioneer reserves the right to hold any purchases until all funds have cleared the Auctioneer’s Bank and to hold **ALL** purchases on partial payment. A 2% late fee will be charged if payment is not received in full within 5 business days of receipt of the invoice.

2. Bidder Registration:

All perspective Buyers and Bidders must register and receive a bidder number at **ALL** Kruse Global Energy Auctions, Inc. auctions. Anyone bidding on behalf of a third party must also register to bid and will be held responsible and liable for all purchases. **No person shall bid on any item they own or on behalf of the owner. No exceptions!** Buyer’s names are to remain confidential. The Auctioneer reserves the right to refuse any person a bidder number and may revoke the bidders’ privileges at any time.

3. Resale of Merchandise:

The Auctioneer reserves the right to reclaim any or all merchandise for any unpaid purchases in part or in full. Buyer agrees to pay any deficiencies from the initial sales price and all expenses incurred including attorneys fees on merchandise that must be resold. In the event a buyer chooses to resell a lot, they must make up any deficiencies from the initial sales price. The resale of any merchandise is at the sole discretion of the Auctioneer.

4. Sales Tax:

Buyer agrees to pay all applicable goods, sales, or use tax on all purchases, unless the buyer provides proof of exemption that is issued by the appropriate province or local Government Agency at the location in which the auction is held. Buyer also agrees to pay any goods, sales, or use tax that may be assessed after payment has been received.

5. Warranty or Guarantee:

Every item is sold **“AS IS, WHERE IS, WITH ALL FAULTS”** and without warranty or guarantee of any kind, either written, expressed or implied, as to merchantability or fitness for a particular purpose or otherwise. There are no warranties or guarantees as to year, make, model, serial number, condition, performance, and/or dotting & numbering, and/or digital slide production. All items are listed as accurately as possible and information is derived from sources deemed reliable. However, Buyer must inspect all items personally and accept with any faults or defects. This catalogue is merely a guide, based on information from sources believed to be reliable and from the Consignor(s). Buyer in no way holds Auctioneer or Seller responsible for any defects, inaccuracies or errors in any way. Bidder acknowledges that all lots were available for inspection prior to the auction and that it is his responsibility to inspect all equipment and to make his own inquiries prior to bidding. All announcements sale day supercede any printed material.

6. Contested or Tie Bid/Lotting:

In the event two (2) or more parties claim the same bid at the fall of the Auctioneer's gavel (sold), the Auctioneer may re-open the sale and commence the bidding between said parties until a high bidder and new owner is established. This is entirely at the sole discretion of the Auctioneer and he may elect not to re-open the bidding if he deems the bid was late and the item was considered sold. The Auctioneer may also refuse any bid he deems as a mere fractional advance. The Auctioneer reserves the right to, and without notice or liability to buyer may: cancel the sale of, group, withdraw or break-apart any lot he determines is necessary.

7. Indemnification & Hold Harmless/Injury & Damages:

Bidders, whether acting as principal, agent, employee, representative, officer or director of a company or otherwise, in any capacity whatsoever, and the company he represents, both jointly and severally agree to hold harmless Kruse Global Energy Auction, Inc., its agents, employees or representatives along with the same for the Seller for any damages, causes of action, suits, costs and losses of any nature, injury or death occurring on or near the auction site. The auction site shall include any yard or location at which any lot is located as well as the actual location where the bid calling is conducted. The Bidder agrees to enter any site or yard at their own risk. No person shall have any claim against Kruse Global Energy Auctions, Inc., its agents, employees or representatives along with the same for the Seller or Site Owner for any injury, damages or loss of life, which may occur from any cause or nature. The Buyer also agrees to the same terms for load-out and check-out on all auctions sites and will provide insurance where applicable. Purchases become the responsibility of and shall be at the risk of Purchaser upon acceptance of his bid. It shall be the responsibility of Purchaser to insure his purchases immediately. Auctioneers shall not be responsible for loss or damage to any purchase.

8. Titles/Bills of Sale:

All Titles and Bills of Sale, along with other pertinent documents will be mailed from Kruse Global Energy Auctions, Inc.'s Nisku office within a reasonable time period following the auction, allowing for satisfactory collection of all negotiable funds. Delivery of such documents is subject to receiving the documents from the Seller. Kruse Global Energy Auctions, Inc. is acting as agents only and any loss of title must be reconciled either through the Seller or the appropriate Government Agency.

9. Agreement:

This Agreement is between the Bidder and the "Auctioneer" (Kruse Global Energy Auction, Inc.) and shall be governed by, and interpreted by the laws of, the Province and Country in which the auction occurs.
